

ANNUAL FALL APPEAL

Dear Friends of Bennett Village,

Bennett Village is proud to have served the Halton Hills community for over 21 years. As a charitable, not for profit organization, we are known for providing outstanding care and redefining senior living through progressive long-term care at the Bennett Centre. We are committed to excellence throughout the organization as we continue to grow our village.

2021 has been another challenging year for the 66 seniors and adults with disabilities who reside at Bennett Centre, as well as for our staff and families. We are grateful to all our staff, families and stakeholders who continue to diligently keep our home safe and welcoming as we move into 2022.

Although there is much to celebrate, we still need your support. The provincial government only funds the necessities for long term-care. It is through your generous donations that we can provide more of the outstanding experience and care we are known for. This year we are raising funds to support resident health and wellbeing through investing in specialized equipment such as the NuStep Bike which helps to provide greater range of motion and movement for those who may struggle with traditional therapies and exercise.

Please consider making a gift to Bennett Village this holiday season and help us to continue to ensure our residents have access to extraordinary resources for their care.

You can make a donation by completing the enclosed donor form or, if you prefer, please select the "Donate" button on the Bennett Village website (bennettvillage.ca) to make a one-time donation or set up a monthly plan through CanadaHelps.org.

All donations are greatly appreciated. Your support ensures that we continue to provide the care that the most vulnerable members of our community deserve.

Sincerely,

Brian Clark
Chair of the Board of Bennett Village
