

Bennett Centre Family Newsletter

August 2022

A Message from Family Council

New to the Bennett? Naturally you're wondering how the best care is provided to your family members but don't know who to ask and what to ask? Wondering who the Family Council is? We are you. Our parents, brothers and sisters are also residents at the Bennett Centre. We meet over Zoom for a half hour one evening per month to discuss and share all sorts of news, concerns, the new building, and so on without Bennett Centre staff in attendance. Please join us. Discover the value of being involved! Email us to get added to the circulation list. Also join our Facebook- search for "The Bennett Family". The next Family Council meeting is Thursday August 25 2022, 5:30pm. Please join us!

Neil & Rick

Recreation Update

Rachel Pearce will be stepping into the role of Recreation and Volunteer Coordinator until Sonia returns from Maternity Leave. Rachel can be reached at extension x8511 or at ramirault@haltonhealthcare.com

FUNDRAISING

Rajwinder testing out one of the shower chairs that was purchased with fundraising money.

Bennett Village is coming to the Georgetown Farmer's Market!

Join us September 10th for a fun day at the Georgetown Farmer's Market. Come and meet some of our staff and volunteers, enter the prize draws and enjoy some family friendly activities!

Fall Cruising for Care

The Bennett Village Marketing and Fundraising Committee is excited to announce our Fall Cruising for Care Classic Car Show! After the amazing success of our Father's Day event and the positive feedback from the community we have decided to do it all over again even bigger and better! Join us Sunday September 25th at the Georgetown Marketplace for some beautiful classic cars, great music, raffles, prizes, activities and so much more!

Visitor Reminder

Friendly reminder that masks must be worn throughout the entire duration of your indoor visit. Please do not bring food for yourself during your visits, as it will require you to remove your mask for consumption. Masks are not required for outdoor visits at this time.

Maintenance Update

Brent, our Maintenance Coordinator has manually shut off the radiant heat from each resident's room. Now that the North Wing outbreak has been declared over, the hospital will replace the broken hardware that will then allow residents to manually control the thermostats in their rooms.
