Bennett Village Team
200 Halton Hills Dr,
Georgetown, ON L7G 0C4

Object: Thank You Letter

Dear BV Team!

Entité 3 was honored to have you at our Forum on French-language health services last Friday, March 25th. You were there and you were clearly heard! Thank you.

That day, you sent a strong message to the public regarding your willingness to include and engage the Francophone community, the power of our collaboration, and the future of French-language health services at Bennett Village.

Your contribution to all steps of the forum from the beginning to the end, especially Mike's physical presence, his presentation, and his interactions with all participants, was highly appreciated.

Please, be assured of Entité 3's unwavering support to Bennett Village through its processes of developing French-language LTC.

Kind Regards,

Constant Ouapo
