Hand Hygiene for Visitors

Help prevent germ transmission. Cleaning your hands is the #1 way to prevent the spread of infectious agents.

- Clean your hands upon arriving at the front entrance of the home.
- Clean your hands after changing your mask
- Clean your hands before entering a resident room
- Clean hands after assisting your loved one with any type of care.
- If gloves are worn for care they must be removed before moving on to the next care task and hands must be sanitized when gloves are removed. Gloves are not permitted in the hall ways.
- Clean your hands before leaving a resident room.
- Clean your hands on your way out of the home.

Alcohol based hand rub is the preferred method of hand hygiene unless hands are visibly soiled. Hands should be rubbed or washed for a minimum of 15 seconds

Help us create the new Bennett Burger!

On **April 26th** the Marketing and Fundraising Cttee are having their first fundraiser of the year! We will be hosting a 'Beer and Burger' Trivia Night at the Appalachian Pub and Eatery. We would like residents and families to have a go at creating the toppings for our Bennett Burger!

We have created a poll of possible toppings for you to choose from, to create the Bennett Burger. You can also add an extra item that is not on the list (subject to price and availability). We will then put the entries to a vote and the winner's picks will become the "Bennett Burger". They will also receive a free ticket to this exciting Spring event.

So, choose your favorite toppings or toppings you think work well together, and either hand in your entry, with your name and contact phone to reception at the home or email Alison at acurtis@bennettvillage.ca by March 28th!

Hello Family Members!

Our next **Family Council zoom meeting** is Thursday March 23 from 7:00-7:30pm (if you're not set up for Zoom, you can also phone into the meeting). Please email us for more information on how to connect.

This is an opportunity for you to share experiences or concerns, and ask questions of fellow family members without Bennett Centre staff present. The co-chairs will then meet with the Bennett executive and share any/all concerns and request a formal response. This process is ALWAYS anonymous and family names are never given.

Co-Chairs, **Bennett Centre Family Council**
