EMPLOYEE OF THE MONTH

Renata, RN

Renata has been nominated for July's Employee of the month by being a role model within the Nursing Dept. She always has the resident's best interests at heart and is an exceptional and thorough employee that takes pride in her work. Thank you for everything you do!

If you would like to nominate someone for Employee of the month please tell a member of the Leadership team, or email Rachel at ramirault@haltonhealthcare.com

Hello Family members,

There will be no meetings for July and August.

Our next Family Council zoom meeting will be a hybrid meeting on

Thursday September 28 from 7:00-7:30pm

We really, *really*, need more support and involvement from other family members in the Family Council. 30 min. of your time 1x / month is very important. Attendance in the last several months have been very inconsistent. For an effective council, more people are needed to participate. Please come and join us in September! Until then, have a great and safe summer!
