- RPN Manpreet Kaur
- RPN Ekpreet Kaur
- RN Dianna Manalo Briones
- RN Balpreet Dhaliwal

We're thrilled to have you join our care community—welcome aboard! Congratulations!

A big congratulations to our long-time PSW Rajwinder Josan, who has successfully achieved her RPN license! We are so proud of your hard work and dedication.

Flu Clinic Success

Our annual flu clinic was a great success! All residents who provided consent received their flu vaccine early in October. Many of our staff members also rolled up their sleeves and got vaccinated—thank you for helping keep everyone safe and healthy.

Education & Training

In October, our staff participated in training sessions focused on safe lifting and transferring of residents as well as N-95 mask fit testing. Registered staff also completed their CPR training through Medigas. Thank you for your continued commitment to safety and professional development.

New Equipment

We're pleased to announce the purchase of a new modern stand-up lift for our residents, helping to improve comfort and safety in daily care.

★ Employee of the Month Nominations

We're looking for nominations for Employee of the Month!

If you notice any shining stars on the floors who go above and beyond in providing care, teamwork, or compassion, we'd love to hear about them.

Please let us know if someone stands out during your visit — your feedback helps us recognize and celebrate the amazing work our staff do every day!

A Message from Family Council

Hello Family members!

There is a new additional co-chair to the Family Council: Marie Duff! I'm sure Marie will be a valued member to the Family Council executive team, bringing new and fresh ideas to the table. Welcome Marie!

Our next meeting is on Thursday, November 27 at 7:00. These monthly meetings are only 30 minutes long. An email will be sent out to all family members prior to these meetings with the connection details, or you can attend in person in the Bennett Centre boardroom. It's well worth the time to express and share any and all concerns, and learn more about the Bennett Centre. Please join us!
