## A Message from the Nursing Team

### Staff Updates & Highlights

#### Highlights

We're excited to share some wonderful news: we did not have a single outbreak in our home throughout all of 2025! This is a huge accomplishment, and it's a testament to the care and vigilance we've maintained over the past year.

As you know, we've continued wearing masks inside the home as a precaution to prevent bringing any infections in. It's been a small but important step in protecting ourselves and each other.

We want to let you know that we will continue to wear masks inside the home for the time being. Our decision will remain in place until community levels of influenza (and any other significant health concerns) decrease. We appreciate your continued understanding and cooperation in keeping our home safe.

Thank you for your commitment to the health and well-being of our community!

#### New Equipment

We're pleased to announce the purchase of new modern Vaccine fridges!!

#### Employee of the Month Nominations

We're looking for nominations for Employee of the Month!

If you notice any shining stars on the floors who go above and beyond in providing care, teamwork, or compassion, we'd love to hear about them.

Please let us know if someone stands out during your visit — your feedback helps us recognize and celebrate the amazing work our staff do every day!

DONATIONS ARE STILL WELCOMED.

## Family Council

Hello Family members!

Firstly, a warm welcome to the new family members of residents at the Bennett Centre in recent weeks. We hope you can join us in future Family Council meetings that we have on a regular monthly basis.

Our next meeting is on Thursday, January 22 at 7:00. These monthly meetings are only 30 minutes long. An email will be sent out to all family members prior to these meetings with the connection details, or you can attend in person in the Bennett Centre boardroom. It's well worth the time to express and share any and all concerns, and learn more about the Bennett Centre.

We will have another guest speaker at this meeting ... Erin Kelly. Erin is the newest member of the Bennett Village executive team. Her role is Director of Development. This will be both a meet and greet, as well as getting to know her roles and responsibilities, especially when it comes to the new Bennett Centre build.

Please join us!
